**CHEER AND BEARCAT

UC cheer and Bearcat win national championship for second year in a row.

Below are a few Evergreen social media posts that I created for a small business while I was interning with Sullivan Solutions in the summer of 2023.

f On average, a social worker may have nearly 19 cases in a month and typically only 6 get resolved by the end of the month. Heavy caseloads often lead to a higher turnover rate for social workers.

Social workers are an integral part of the foster care system, and a disruption in caseworkers can mean delays in a child being reunited with a parent, or receiving proper attention.

You can make a difference in the lives of vulnerable children in your community by saying "yes" to being a foster parent, or by providing wraparound support to a foster, adoptive, or kinship family.

If you would like to start a conversation to learn more about foster care/adoption, or wraparound support for a foster, adoptive or kinship family, please reach out to Coalition of Care by texting "Support" to (513) 866-2779. #jointhecoalition #wraparoundsupport #fostercare
